Subject: Today's Media Availability @ 2:00pm (PDT)

Rose: If a reporter/stringer from the Yakama Nation Review was able to attend, we'd be very happy. Please pass this information along.

Thanks!

Mark MacIntyre

Please Join us for a teleconference media availability to discuss EPA's Proposed Plan for cleaning up Portland Harbor. The call will begin at 2:00pm(PDT) and finish at approximately 3:00 pm (PDT)

Participating in Wednesday's call will be Dennis McLerran, EPA Regional Administrator; James Woolford, Director of EPA's Office of Superfund Remediation and Technology Innovation and Cami Grandinetti, EPA's Regional Superfund Remedial Cleanup Program Manager. A "Question & Answer" session will follow brief opening statements by Mr. McLerran & Mr. Woolford.

You will receive a press release & fact sheet via e-mail @ the beginning of the call.

To participate in the call, please Dial-in on Personal Privacy / Ex. 6 & use the Conference Code: Personal Privacy / Ex. 6

Please call me with questions. 206-369-7999

Mark A. MacIntyre
